Please bring a favorite food item to share if you plan to stay for the luncheon afterwards!

GARDEN QUIZ ANSWER:

The Toronto Music Garden, created in collaboration with eminent cellist Yo-Yo Ma, is a three-acre public park on Toronto's Harbor front. The park's design was inspired by "The First Suite for Unaccompanied Cello" by J.S. Bach. Curving paths move visitors through six garden "movements" (Prelude, Allemande, Courante, Sarabande, Menuett and Gigue) that flow from the different moods, feelings, and forms evoked by the music.

Young Composer's Project

Congratulations to Hezekiah Corey-Wiebe who received an Honorable Mention for his composition, The Chronicles of Wattes Galacticas, in the 12th grade Senior category of the 2015 WSMTA Young Composer's Project. This project gives students of WSMTA members the opportunity to submit their compositions for judging and comments by qualified adjudicators. Hezekiah is a student of Becky Hedman.
